

### *Low or lower-middle-income countries' student support*

According to World Bank data (<https://data.worldbank.org/country/XN>), Pakistan also belongs to the lower-middle-income countries, and the majority of students studying at Women University of Azad Jammu and Kashmir (WUAJK&K) are from families with lower-income. Therefore, during 2021, WUAJK&K provided scholarships to 20 % of total admissions.

However, to support international students from lower-middle-income countries, the following waiver is offered subject to the fulfillment of admission eligibility criteria, provided on university website.

- *100 % waiver in tuition and admission fee*
- *Free accommodation in the university hostel*
