

VOCATIONAL TRAINING EVENTS

Developing English Language Skills of Community Teachers of Elementary Level through a research project (National Research Project for Universities NRPU) sponsored by the Higher Education Commission of Pakistan

The Department of English organized an English language development training program for the elementary teachers of District Bagh and trained 150 male and female teachers. This was the first ever significant training program of its kind, and the trained English language teachers are now serving successfully in their respective schools of District Bagh Azad Kashmir.

Dr. Arshad, Chairperson English (Principal Investigator of Research Project) with Elementary Schools Teachers

Closing Ceremony at the Faculty of Arts and Social Sciences, Dr. Asghar Ali (Educationist) was the Chief Guest, and District Education Officer (DEO) Female Bagh was the Special Guest of the Ceremony
