## WATER POLICY

### **1. Introduction**

Providing clean water is the fundamental right of each living species and is an essential part of life. Therefore, the Women University of Azad Jammu and Kashmir Bagh (WUAJ&K) has a leading priority to provide drinking water to all community members, guests, visitors, etc.

### **2. Scope**

These water policies shall apply to all water-related activities of WUAJK, including all the external members involved.

### **3. Policy Guidelines**

The WUAJK Bagh shall:

- (i) Ensure the provision of clean drinking water to the WUAJK community and visitors, guests, etc.
- (ii) WUAJK will collaborate with regional, state, and national organizations (government and non-government) to improve water resource management.
- (iii) Initiate training and awareness workshops to promote the safe use of water resources.
- (iv) Promote research related to water quality and water preservation.
- (v) Engage the faculty, staff, and students in water conservation activities on campus and in the local community.
- (vi) Encourage the WUAJK community to report the wastage of water on campus timely.
- (vii) Incorporate courses in academic programs related to water conservation.

(viii) Ensure possible wastewater reuse, and prevent polluted water from entering the drinking water system.

**4. Report on Violation**

All WUAJ&K community members must report to the authorities concerned, without fear, any incident where known facts indicate a possibility of a policy violation.

**5. Revision of Policy**

Revisions to these policies will be made as and when necessary.
