

## Women's access schemes

### Overview of Schemes

At WUAJK, we are dedicated to empowering women through a comprehensive range of access schemes designed to support their academic and professional development. Our initiatives include **various scholarships** to alleviate financial barriers and promote educational excellence. Additionally, we offer **career counseling services** to guide women in making informed career choices and achieving their professional goals. We provide **training in freelancing** and other essential areas to further enhance their skills and employability. Moreover, we offer opportunities for participation in **extracurricular activities**, such as debate society and various clubs. These activities foster leadership skills, creativity, and teamwork, enriching the educational experience. These schemes are part of our commitment to fostering an inclusive and supportive environment that equips women with the tools they need to succeed.

### Specific Scholarships

At WUAJK, we are committed to supporting women through various scholarships designed to address various needs and circumstances. Our scholarship offerings include the **Ehsaas/ Benazir Undergraduate Scholarship**, which financially assists underprivileged students pursuing undergraduate degrees. The **Need-Based Scholarship** supports students facing financial hardships, while the Punjab Educational Endowment Fund (**PEEF**) Scholarship offers additional aid based on merit and need. The AJK Educational Endowment Fund (**KEEF**) Scholarship supports students from Azad Jammu and Kashmir, promoting access to higher education. Additionally, we provide discounts for refugee students to facilitate their academic pursuits. Detailed information on eligibility criteria (Annex. I), the application process, and a list of scholarship recipients (Annex. II) can be found in the attached documents.

## Mentoring Programs

At WUAJK, our mentoring program is designed to provide personalized guidance and support to female students, helping them navigate their academic and professional journeys. As part of this initiative, we regularly organize seminars to enhance students' skills and knowledge. Recent seminars include a session on Women's Empowerment led by Misbah Sabah (Annex. III), which focused on inspiring and empowering women to achieve their full potential. We also organized a Seminar on Scholarships for foreign PhD Programs (Annex. IV) to inform students about opportunities for advanced studies abroad. These events are integral to our mentoring efforts, providing valuable insights and fostering personal and professional growth.
