

### 1.3.3. Low Income Student Support

To support students from low-income families, the Women University of Azad Jammu and Kashmir is implementing various support programs. Among these initiatives, a few key programs implemented in 2024 are given below:

#### a) Scholarships

The University provides financial support to students based on both academic excellence and financial need, enabling intelligent and economically disadvantaged students to continue their higher education. These scholarships are funded through support from the government, private organizations, and the University's own resources. ([Annex. I](#))

#### b) Food in Hostel and Cafeteria at Subsidized Rates

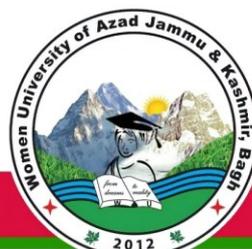

As most students come from low-income families, the University provides food in the hostel and cafeteria at substantially lower rates than market prices (a comparative table is provided in [Annex. II](#)). The objective of this subsidy is to support financially disadvantaged students and encourage them to pursue higher education. In addition, the accommodation charges in the University hostel are also significantly lower than those of private hostels, further supporting such students.

#### c) Free Healthcare Services

The University offers free healthcare facilities to the community and its students, including regular medical check-ups, health and hygiene awareness sessions, and specialized medical camps. The blood donation drives and vaccination campaigns are also organized to promote student well-being and community health. These activities are conducted in collaboration with the District Headquarter Hospital Bagh and health organizations. ([Annex. III](#))

#### d) Free Access to Computer Labs for Freelancing

To promote digital skills and online earning opportunities, the University facilitates female students' access to computer labs beyond regular working hours.

This initiative, organized in consultation with the Computer Science and IT department, enables students to engage in freelancing, skill development, and other online work in a secure and supportive environment. [\(Annex. IV\)](#)

### **e) Discounted Transport Facilities within the District**

The University provides discounted transport services within the district. This facility ensures safe, reliable, and affordable travel, reducing financial strain and enabling students from nearby areas to attend classes regularly. [\(Annex. V\)](#)

### **f) Free Ambulance Service**

To support the health and well-being of students, particularly those from low-income backgrounds who may face barriers to accessing timely healthcare, the University offers a complimentary 24/7 ambulance service. This ensures immediate transportation to local hospitals during emergencies and provides essential first aid and medical support, safeguarding students' health and safety. [\(Annex. VI\)](#)

### **g) Training Programs in a University**

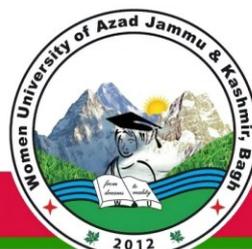

The University offers free training programs, including skill-development workshops, digital literacy courses, and career-oriented seminars, enabling students to gain market-relevant skills and explore income-generating opportunities. [\(Annex. VII\)](#)

### **h) Refugee Students Support**

The University offers full admission fee waivers and 50% tuition concessions to refugee students, ensuring equitable access to quality education without financial strain. [\(Annex. VIII\)](#)

### **i) Student Indemnity Fund/ Student Guardian Insurance Fund**

A student indemnity fund/ student guardian insurance fund is established to support students whose parents' or guardians' death means their tuition fees, hostel charges, and essential academic expenses are fully covered for the remainder of their degree. This safety net removes the financial uncertainty that could otherwise force students to discontinue their education. [\(Annex. IX\)](#)
