4.3.1. Public resources (lifelong learning)

The Women University of Azad Jammu and Kashmir, Bagh, is committed to promoting lifelong learning and facilitating access to educational resources, knowledge and skill-development opportunities for the wider community. The University encourages the provision of educational and professional learning opportunities beyond formal degree programs to support continuous learning, capacity building and community development. (Annex. I)

Free Access to Computer Laboratory for the Local Community

The Women University of Azad Jammu & Kashmir (WUAJ&K) facilitates access to its computer laboratory in Computer Science Department and acces to Software Technology Park for local community. This initiative provides opportunities to access digital learning facilities, improve computer literacy and develop IT-related skills. It reflects the University's commitment to public access to educational resources, digital inclusion and lifelong learning beyond formal university education. (Annex. II)

Sports facilities to students of the College of Education

In February 2025, Women University of Azad Jammu & Kashmir, Bagh, extended its sports facilities to students of the College of Education, Bagh, by providing sports equipment and facilitating access to the University’s sports facilities. The initiative encouraged students of the College of Education to participate in sports and recreational activities, promoting physical fitness, teamwork, discipline, and social interaction. Through this collaborative effort, the University demonstrated its commitment to community engagement and the promotion of sports and a healthy lifestyle among students. (Annex. III)

FREE ACCESS TO UNIVERSITY RESOURCES FOR THE COMMUNITY

1. Introduction

This policy provides a guide to optimize the use of Women University of Azad Jammu and Kashmir (WUAJ&K) Bagh facilities by students, faculty, staff, and community members. The University reserves the right to regulate the use of its property. The University intends to fulfill its teaching, research, and community engagement mission. Therefore, to avoid disrupting the normal activities needed to carry out its mission, the University shall regulate access to university facilities.

2. Scope

This policy applies to all WUAJ&K Bagh facilities (including buildings, grounds, and spaces owned or monitored by the University), which extends to members of the academic community, such as guests of the University and members of the general public, lawfully present on university premises.

3. Policy Guidelines/ Implementation Procedure

Subject to University uses and reasonable time, place, and manner restrictions, and university facilities may be made available on a first-come, first-served basis in the following order of priority: students, employees, and community members.

The WUAJ&K Bagh may provide the following facilities to those who are not studying in the University (only females), subject to no disruption of the normal activities of the University.

a) Free access to the university library
b) Computer labs
c) Space facilities for sports activities

WOMEN UNIVERSITY OF AZAD JAMMU& KASHMIR BAGH

Department of Cs&It

Bani Pasari Campus

No:WUAJK/CS&IT/ 145 /2025 Dated 20-5-2025

Subject: Confirmation of Free Access to Computer Laboratory for the Local Community and STP Park Participants

This is to certify that the Department of Computer Sciences and Information Technology (CS&IT), Women University of Azad Jammu & Kashmir, Bagh, supports community learning and digital skills development by facilitating free access to its computer laboratory for educational and learning purposes, subject to laboratory availability and institutional rules.

This facility is intended to provide learning opportunities to members of the local community, particularly students and participants associated with **STP Park**, enabling them to access computer facilities, improve digital literacy, develop IT-related skills and enhance their knowledge of modern information technologies.

This initiative reflects the University's commitment to promoting lifelong learning, inclusive access to educational resources, community engagement and digital capacity building beyond the university campus.

The Department aims to facilitate such learning opportunities through appropriate coordination, supervision and utilization of available laboratory resources.
