MESSAGE FROM THE CHANCELLOR

Women University of Azad Jammu and Kashmir, Bagh, has a special place in the higher education landscape. It is the first women's university in AJK imparting education to graduate and post-graduate students in cutting edge disciplines.

Over the years, because of the growing literacy rate amongst girls in AJK, the number of women who desire to go into higher education is increasing. It has been their natural aspiration that they should have a dedicated women's higher education institution. The Women University of AJK fulfils that demand.

Having started its journey in 2014, the University is still in a fledgeling stage but, despite initial difficulties it has managed to make impressive strides in both quality education and academic excellence, thanks to the hard work of the faculty and students. Right now, we realize that one of the weakest areas of the University is inadequate infrastructure. Earnest endeavours are being made to fill this gap so that we can create a salutary environment for classrooms, laboratories, auditoriums, staff rooms, hostels and sports facilities.

I have personally witnessed many activities organized by students and teachers on the University campus. The outstanding performance of these students has deeply impressed me. The University has produced some of the best debaters and declamation contestants. It has also hosted job fairs, seminars, sporting events and exhibitions. The University students are being encouraged to correlate their academic qualifications to the job market and to the emerging technologies.

I believe that in future this institution would play an important role in the economic, scientific, technological and industrial development in the State of Azad Jammu and Kashmir. I especially commend Prof. Dr. Abdul Hamid, Vice Chancellor, who is making earnest and resolute endeavours to move the university towards higher thresholds in quality education. Besides, organized efforts being made, under his stewardship, to stimulate market-oriented learning, research and innovation would prepare the ground for fostering future leadership.

I congratulate the Vice Chancellor, faculty, administration and students for their remarkable achievements.

This is however not the time to sit on our laurels. The destination is far and the goals very high.

I, therefore, hope that the University would demonstrate more diligence to produce students who are competitive, not only at the national level but across the region. Let this University create many centres of excellence.

I wish you more success.

Muhammad Masood Khan
Chancellor, WUAJ&K
President State of AJ&K

FOREWORD

Women University of Azad Jammu and Kashmir Bagh (WUAJ&K), has been facing numerous problems from the time of its inception, 2014. Selection of site, acquisition of land, development of physical infrastructure, declined students' enrollment and financial crunches appeared the most serious issues for the university. Although, the Government of Azad Jammu & Kashmir facilitated WUAJ&K with the provision of partial physical infrastructure to initiate the academic and administrative activities. However, inadequate space requirements to run 36 degree programs at Undergraduate and Graduate levels still persisted. Financial situation became worsened when attempted to overcome the space requirements through rental buildings, consequently, it hoarded a huge fiscal liability over the years to the institution.

A long lasting un-resolved matter of site selection and acquisition of land for university own premises was a major impediment for implementing HEC's approved development project. On one hand, 30% decline in 3200 students' enrollment resulted in huge fiscal deficit merely due to the terminating of Government of Pakistan Fee Re-imbursement Scheme as an incentive for post-graduate studies. Whilst, on the other, over-employment particularly non-teaching staff emerged as a nightmare for such a newly established Institution. Hence, fee as one of the major University's own source of revenue generation adversely withered the development of the University.

Another important barrier involved in low student intake is enrollment of only female students in the Institution. The other Universities located in close proximity have a great impact in reducing the

enrollment status. For instance, University of Poonch, Rawalakot, is located at a distance of 45 kilometers. Whilst University of Azad Jammu & Kashmir, Muzaffarabad, is at 70 kilometers away from this University. All the State Universities are offering male and female students' enrolment and female students of the surrounding areas of these Institutions apparently prefer to take admission in these Universities.

As over all, this Institution remained unsuccessful to achieve the target of required number of enrolment of female students and suffered a lot financially. Bearing in mind, HEC provides financial support only in recurring budget to Universities on formula based where students enrollment, a major parameter, is considered for the base grant. Less enrollment leads to the low recurring budget support from HEC.

Prior to June 2020, due to severe financial crunch, it was even difficult to pay salaries to the employees for upcoming months in spite of the observance of strict austerity measures during stop-gap arrangement. The pending liabilities against the Institution increased more than Rs. 75 million. The effective corrective measures and proper financial management was required to overcome the issues and save this seat of learning from collapse.

To ameliorate the situation, strict financial measures by curtailing the expenditures, rationalization of non-teaching staff and other drastic initiatives were the only option to bring administrative and financial reforms for smooth running of the Institutional affairs within available resources. The timely conducting of the meetings of various statutory bodies viz., Senate, Syndicate, Academic Council, Finance and Planning Committee, and Departmental Accounts Committee is proving helpful to stream line the matters and ensuring the good governance. Nonetheless, to put the institution on right track through a coordinated effort of team work expectantly culminate to achieve the set targets within stipulated time.

Pertaining to this alarming situation, the patronizing sustenance of the President AJ&K/Chancellor of the Universities, overwhelming backing of Prime Minister Government of AJ&K and Higher Education Commission (HEC), Islamabad; acted as ventilator to breath and move forward. Alhamdulillah, in a short span of time, most of these issues, on war footings, have been addressed by taking effective corrective measures since assuming of my charge as Vice Chancellor on June 3rd, 2020.

Meritorious Professor Dr. Abdul Hamid
Vice Chancellor, WUAJ&K

EXECUTIVE SUMMARY

Across the country, the calendar year 2020 has been quite challenging for the Higher Education Sector in general and for Women University of Azad Jammu & Kashmir Bagh (WUAJ&K), in particular. Due to prevailing Covid-19 pandemic and shrinking on funds for Higher Education Institutions, made rigorous to run the Institutions effectively. In spite of severe financial constraints and various administrative issues, the performance of the Women University of AJ&K Bagh for this year has been remarkable in terms of teaching, research and streamlining of complex financial and administrative issues.

The selection of site for construction of a proper University Campus has been a serious challenge. Despite the fact the Higher Education Commission (HEC), Islamabad has approved the physical infrastructure project and Government of Azad Jammu & Kashmir (Govt. AJ&K) has also allocated 2025 Kanal land; the litigation of land case in Supreme Court has paralyzed the whole development process of the University. To resolve the long outstanding dispute of site selection, HEC was approached to determine the suitability of site for construction of infrastructure of the University. A committee was constituted by HEC to visit and ascertain the suitability of the site. The HEC Committee after having their visit, recommended the proposed site of the Government for construction of infrastructure. The Govt. of AJ&K when approached for provision of additional land, generously allocated Rs.300 million in Annual Development Plan (ADP) 2020-21 for acquisition of additional land for the University.

Few swift remedial measures pertaining to Financial Management boosted the financial situation of the University to greater extent. For instance, firstly, previously accumulated financial liability was curtailed by vacating a costly rental building and alternatively another building on rationalized rent was acquired. Secondly, for initiating academic activities, scarcity of space issue was taken up with the Govt. AJ&K who approved Rs.10 million as grant-in-aid for the construction of temporary structure at the campus. Thirdly, the Govt. AJ&K also approved Rs.20 million as a special grant to pay off the pending liabilities of the Institution.

The provision of high speed internet facility (PERN) to students and faculty for research work was a major unresolved issue due to high cost and non-availability of dedicated fiber cable line from alone service provider Special Communication Organization (SCO) in the area. A fruitful meeting held with Director General SCO, Rawalpindi, not only resulted in installation of fiber cable, commitment on reasonable monthly tariff but also installation cost of fiber cable has been waived off. Now the fiber cable has been deployed by SCO in the University and PERN connectivity through Higher Education Commission (HEC) is in process. In addition establishment of IT Park and business Incubation Centre in University in collaboration with Special Communication Organization (SCO) is in process.

After reopening decision of Higher Education Institutions at national level due to Covid-19 pandemic, the Women University of AJ&K Bagh is the only State Institution which has fully resumed the academic activities with SOP's through 100% physical presence of the faculty and students. The academic activities are continued without any problem and students are much satisfied in learning at campus. However, in case of any emergency due to Pandemic the University is ready to shift on virtual mode of learning. The

University observed the Sports week in the second week of October 2020, and Honorable Chancellor of the University graced the inaugural ceremony. An interactive and open question-answer session with Honorable Chancellor was held on Kashmir and International affairs. The opportunity was provided to the students to come out from the stress of Covid-19 and to fully involve them in curricular and co-curricular activities.

In addition to academic activities, co-curricular activities were also carried out at campus. Different debates competitions, seminars and conferences were organized on important days i.e. Kashmir Solidarity Day, Breast Cancer Awareness Day, Pakistan Day, Kashmir Independence Day etc. The Honorable Chancellor and the President of the State of AJ&K, Sardar Masood Khan, thankfully, accompanied on the occasion “an open day with Honorable Chancellor” provided an opportunity to students for asking various questions in open Question Answer Session.

We have come-up with revised and more improved vision and mission statement of the university. The Women University of AJ&K is extending the services with the vision to generate a new knowledge through high quality research and provision of quality Higher Education at affordable cost. Advanced level postgraduate programs such as Ph.D. program has been started in two disciplines by fulfilling the criteria of Higher Education Commission (HEC). Four new emerging programs without creating additional liability at undergraduate level have been started according to the need of area and market demand. An amount of Rs. 34.888 million was distributed among the students under different national and international level Scholarship programs such as Need Based Scholarships, Ehsaas Undergraduate Scholarship, French Need Based Scholarship and other Scholarships. The deficiency of the Ph.D. faculty members have been fulfilled through creation and hiring of required number of positions of Assistant Professors to strengthen the M.Phil and Ph.D. programs of the University. The maximum effort with coordinated team work will be put to achieve the objective of the establishment of this higher seat of learning for female of the State.

Meritorious Professor Dr. Abdul Hamid
Vice Chancellor, WUAJ&K

ABOUT THE UNIVERSITY

Main Block, WUAJ&K

Women University of AJ&K Baramulla has been established in 2014 under Women University of Azad Jammu & Kashmir Baramulla Act (VII) of 2014 to provide opportunities of quality higher education and research activities for women in the region. This is the only female university of the state. It currently has Faculty of Science and Technology and Faculty of Arts and Social Sciences under which 14 departments operate.

On 03 June 2020, Professor (Meritorious) Dr. Abudul Hamid took the charge of university as 2nd tenured Vice Chancellor. So far, the university has very limited infrastructure as the permanent buildings for university could not be constructed due to unavailability of land. However, so far more than 5000 students have been enrolled in 36 degree programs at under graduate, graduate and post graduate levels. The university has added a variety of up-to-date books, a video conference room, a seminar hall, Labs for sciences and computer sciences and classrooms are equipped with state of the art furniture and scientific equipment to make the learning process smoother. The acquisition of land for university is in process. Govt. of AJ&K has allocated 2025 kanals of land at District Headquarters Baramulla for construction of this university. So far, university is operating at five different locations within the radius of one kilometer. The detail of campuses is given in subsequent page.

WUAJ&K BLOCKS

University operates in five different blocks in District Bagh at various locations within radius of a kilometer. In order to develop high quality teaching and research, provision of modern facilities is an obvious requirement. To cope up the space issue, the university has also hired different buildings and called then blocks to maintain the functioning of the university and streamlining the academic process without any delay.

Main Block

It is located adjacent to the building of Govt. Girls Degree College Bagh. The main block of WUAJ&K is governing various offices of the university. Vice Chancellor Secretariat and Registrar Office are located in this block. The sub-offices of personal staff officer, Private Secretary to the Vice Chancellor, Public Relations Officer, Deputy Registrars and Assistant Registrars are located here. The Department of Computer Sciences, Computer Labs and female students Hostel- 1 is also situated in this vicinity. There is full security protection with the installation of barbed wire and walk through gates for ensuring Security of students and employees. The Campus is fully furnished and equipped with electronic and internet facilities.

Vice Chancellor Secretariat

Social Sciences Block

The Social Sciences Block is located in the vicinity of Main Block near MTBC building. The Faculty of Arts & Social Sciences is located here that includes Department of Economics, Department of Education, Department of English, Department of Pakistan Studies and History, Department of Business Administration, Department of International Relation and Department of Sports Sciences. The office of the Dean is there to supervise and regulate all the academic and administrative activities of the departments and to provide guidance in all the matters. The class rooms and offices of the Chairpersons/ Heads of Department/Coordinators are established in this building.

Physical Sciences Block

The offices of the Dean Faculty of Science & Technology, Quality Enhancement Cell, Department of Physics, Department of Chemistry and Department of Mathematics are located here in this building which lies besides the main bridge in the city. The class rooms and offices of the HoDs and Coordinators of these Departments are set up in this building. Functional experimental labs are also developed here for the facilitation of the students. A Library for sciences subjects is also set up to cater the needs of the faculty and students.

Physical Sciences Block

Natural Sciences Block

It is located in the part of building of College of Education which is allocated for the University from Govt. of AJ&K. The Department of Botany, Bio-technology and Zoology are located in this block. The class rooms and offices of the HoDs and Coordinators of these Departments are in this building. The functional experimental labs are also situated here for the facilitation of students.

Moreover, the office of Advanced Studies and Research (ASR) is also situated here. The office of Security is adjacent to the academic block. The security of all campuses and blocks of WUAJ&K are managed by security officer according to Security parameters of institution.

The office of Directorate of Student Affairs and Director Curriculum BS program are located in the building of Rest House lying next to the College of Education. The sub offices of ADSA are also located in this building.

The Student Cafe is also functional in this campus with all the facilities including the seating arrangements for the students. The Hostel facility for 180 students and accommodation facility for female staff is also available with basic necessities.

Natural Sciences Block

Administration Block

The Administration Block is situated near the Police Station Bagh. The offices of the Controller of Examinations, Directorate of Planning and Development and Finance Department are set up in this block. The sub-offices of the Deputy Controller, Assistant Director Planning, Budget Office, Assistant Director Finance, Audit Office, Accounts Office and others are also in this block. There is full security protection with the installation of the barbed wire and walk through gates for ensuring security of employees. The block is fully furnished and equipped with Electronic and Internet facilities.

The Registrar, WUAJ&K with Assistant Registrars

WOMEN UNIVERSITY VISION, MISSION AND STRATEGIC PLAN

Vision

“The Women University envisions excellence in quality education stepping towards knowledge economy by developing skills among students to become morally dynamic and productive citizens”

Mission

- To pursue quality standards of education, indicators of excellence and collaboration with top ranked higher educational Institutions.
- To ensure conducive teaching-learning environment through creativity, problem solving skills and critical thinking for building university a vibrant seat of learning.
- To develop academically and technically sound knowledge based female human resource as a beacon of change.
- To promote access and equity to all socio-economic groups of females in the society at large and enlightening them with modern trends in education.
- To enable the graduating female students to address the challenges and play their role for the advancement of the women in the society at front.

The Vice Chancellor Chairing a meeting with Deans of Faculties and the Registrar

Strategic Plan (2019-2023)

The University will achieve its strategic goals by engaging itself in increasingly close cooperation with other HEIs, industries and stakeholders as we believe that collaboration creates more impact than individual efforts. This Plan covers the period 2019-2023. It sets a high-level agenda for the establishment of the university. We have shaped the Plan to meet the following aspirations:

- Acquisition of Land for University
- Development of Physical Infrastructure
- Developing a creative environment for learning and research
- Expansion of intellectual infrastructure by induction of maximum PhD faculty
- Opening of latest emerging and demanded disciplines
- Increasing the enrolment of students and striving for quality education
- Faculty Development
- Revamping of curriculum as per HEC guidelines
- Collaboration with other institutions at national and international level
- Innovation and Commercialization

We will monitor progress against our priorities, commitments, and aims. Through this strategic plan, we will focus on ensuring that it continues to meet our targets.

Vice Chancellor, WUAJ&K presenting Shield to The President State of AJ&K and Chancellor, WUAJ&K

ACADEMIC PROGRAMS

Women University of Azad Jammu & Kashmir Bagh has implemented semester system education in undergraduate, graduate and post graduate levels. The Academic Calendar of the each year is comprised of spring and fall semesters; each of a minimum duration of 16-18 weeks of teaching. The admissions are offered once a year mostly in October-November. The final dates are decided in the meeting of Semester System Implementation Committee (SSIC). Admissions to the BS (4 years), MSc, MA, MBA, M.S, & M.Phil (2 Years) are announced once an year. The University has offered PhD program in four Departments i.e. Chemistry, Physics, Botany and Zoology. This year, considering the market demands, the University has added new programs i.e. BS environmental Sciences, BS Economics and Finance, B.Ed and MSc HRM. The University offers admission to its fourteen departments under the following two Faculties:

1. Faculty of Science & Technology
2. Faculty of Arts & Social Sciences

Duration of Degree Programs

Total duration for all degree programs:

Program	Minimum and Maximum Years
BS, BBA, B.Ed (Hons).	4-6
MBA	3.5
Masters	2-3
M.Phil / MS	2-3
PhD	3-5

Faculty of Science & Technology

There are seven departments under the Faculty of Science & Technology. Detail of Programs is given below:

Department	Academic Programs			
	BS	MSc/MCs	M. Phil	Ph.D.
Department of Biotechnology	√	√	√	x
Department of Botany	√	√	√	√
Department of Chemistry	√	√	√	√
Department of Computer Sciences & Information Technology	√	√	x	x
Department of Mathematics	√	√	√	x
Department of Physics	√	√	√	√
Department of Zoology	√	√	√	√

Faculty of Arts & Social Sciences

There are seven departments under the faculty of Arts & Social Sciences. Detail of Programs is under:

Department	Academic Programs			
	BS	MA/MSc/ M.Com	M. Phil/MS	PhD
Department of Business Administration	√	√	x	x
Department of Economics	√	√	√	x
Department of Education	√	√	√	x
Department of English	√	√	√	x
Department of International Relations	√	√	x	x
Department of History and Pakistan Studies	√	√	x	x
Department of Sports Sciences & Physical Education	√	√	x	x

RESEARCH AND DEVELOPMENT

An overview

Research and Development activities serve as the backbone of a Nation's Knowledge Economy. It is an established fact that innovation and commercialization, which are the direct outcome of research and development, can catalyze the economic engine of a nation. The seed of innovation in research culture is germinated in the institutions of higher learning, which can ultimately guide the industry.

The faculty and scholars at WUAJ&K are continuously growing their research productivity that is witnessed to their limitless potential. The number of research publications has grown up with significant inclination during last five years which shows vigorously our faculty is pursuing university's vision and promoting research culture.

WUAJ&K has a number of research projects in different areas. The departments are keen to have desired resources to utilize their potential required to implement their research in the fields of science and technology, and Arts and Social Sciences to commercially benefit the regional economy in particular, and also to assist Pakistan's national economy.

Office of Research, Innovation & Commercialization (ORIC)

The Office of Research, Innovation and Commercialization (ORIC) is functioning since January, 2018. ORIC was established to make research a top precedence among faculty members and MS/M.Phil Scholars. It aims at promoting and enhancing research activities and helping them to commercialize and industrialize. ORIC provides a complete platform to facilitate the researchers and enhance their research skills and expertise from working bench to a furnished product. ORIC also provides services related to research and development, innovation, industrialization, commercialization, collaborations. It intends to conduct seminars, workshops, submission and approval of research projects, travel grants and other such activities.

Future Plans of ORIC

1. Collaboration with national and international universities based on joint research proposals for international funding.
2. To conduct regular scientific seminars, conferences, colloquia, symposium etc.
3. To promote the culture of interaction and sharing of scientific knowledge with researchers around the world.
3. To prepare the University Strategic Business Plan for the next 5 years.
4. To prepare the Research Policy for the University.
5. Workshops on Research Methods, Articles, Publications, Project development, Data analysis etc.

Business Incubation Center (BIC)

A virtual incubation center is set by Department of Business Administration to help entrepreneurial activities by providing support sources and services. It includes mentorship, coaching, networking and assistance with external sources of financing and patronizing.

Ongoing and Newly Launched Projects

Department of Physics

Sr. No.	Types of project & funding agency	Title of project	PI/Co-PI	Cost	Completed/ Continue
1	NRPU, HEC	Study of spin-up and spin-down degenerate plasma with exchange-correlation effects on waves and instabilities	Dr. Muhammad Shahid	1.32 Million	Awarded on 22-8-2019

Paper Presentations

Department of Education

Sr. No.	Name	Paper Name	Conference
1.	Dr. Muhammad Asghar Ali Fouzia Begum	Role of Parents in Developing Reading Skill of Children at Primary Level	1 st ICMTSMR -2019 November 15-17 (2019). University of Kotli AJ&K
2.	Dr. Muhammad Asghar Ali Naheed Akhter	Quality of Education in Public Higher Secondary Schools in District Bagh AJ&K	1 st ICMTSMR -2019 November 15-17 (2019). University of Kotli AJ&K

Department of English

Sr. No.	Name	Paper Name	Conference
1.	Kokub Khurshid Abbasi	Acoustic Analysis of Modification Strategies used by Pahari ESL learners	3 rd Kashmir International Conference

Department of Business Administration

Sr. No.	Name	Paper Name	Conference
1.	Qamar Ahmed	The role of CSR in the formation of outcomes	5 th Multi-Disciplinary Students Research International Conference 2019 organized by University of Wah on 26 Nov 2019
2.	Komal Tariq	The study of key factors for successful implementation of knowledge management in small and medium enterprises of Pakistan	1 st international conference on Modern Trends in Social and Management Research Challenges and Opportunities (ICMTSMR) organized by University of Kotli, Kotli, AJ&K on 16 November 2019
3.	Nagina Liaqat	Exploring the talent retention challenges that exist within the Pakistani telecoms sector	conference on Modern Trends in Social and Management Research Challenges and Opportunities (ICMTSMR) organized by University of Kotli, Kotli, AJ&K on 16 November 2019

Conferences, Workshops and Seminars

Department of Biotechnology

The faculty members attended 1st International Conference on Recent Updates in Biotechnology (ICRUB-2019) Islamabad, Organized by Department of Biotechnology, IIUI, Islamabad.

Department of Chemistry

Dr. Ashfaq Ahmad Participated in one-day seminar on "Project Writing Skills" on Thursday, 12th December, 2019 organized by: Directorate of Student Affairs, WUBAJ&K.

Dr. Ashfaq Ahmad Participated in two-day workshop on "Research Publications, Innovations, Patents and writing techniques" on 23 -24th September, 2019 organized by: Department of Chemistry AJK Muzaffarabad

Department of Zoology

Dr. M. Shabaz, Assistant Professor, Participated in 39th Pakistan Congress of Zoology (International) held on 4-6th March 2019, at Islamia College Peshawar, Pakistan

Dr. Abu-UI-Hassan Faiz, Assistant Professor, participated in a conference entitled Himalayan Pitviper (Agkistrodonhimalayanus): Conservation, Ecology, Snake Bite, and Human Awareness in Lesser Himalayas, Azad Kashmir, Pakistan.

Dr. Abu-UI-Hassan Faiz, Assistant Professor, participated in 3rd International Conference on Innovative Biological and Public Health Research (IBPHR-2019) department of zoology GC university of Lahore

Dr. Abu-UI-Hassan Faiz, Assistant Professor, participated in One Day International Symposium on Zoonotic Diseases of Camel organized by Cholistan university of veterinary and animal sciences

Department of Computer Sciences

Sr. No.	Name	Venue	Brief Description
1	Visio Spark	COMSATS, University Wah	2000 students from 40 different Universities participated in different IT related events
2	Imagine Cup Finals	HEC, Islamabad	2020 Imagine Cup Finals arranged by HEC and Microsoft in collaboration with PM's Kamyab Jawan Program
3	JK TV Program	JK TV	Mr. Anees Abbassi participated as Guest in JK TV Program "Research Vista" to discuss about career counselling and research horizons.
4	Role of Digital AJK under SDGs Strategy during and after Corona	Online	Mr. Anees Abbassi participated as Guest Speaker in online event "Role of Digital AJK under SDGs Strategy during and after Corona" on May 02, 2020.
5	54th Annual Conference of the German Society for Biomedical Engineering	Online	Mr. Anees Abbassi participated in 54th Annual Conference of the German Society for Biomedical Engineering (VDE DGBMT) September 29 – October 1, 2020. Leipzig, Germany
6	Annual Congress of European Society of Movement Analysis for Adults and Children (ESMAC)	Online	Mr. Anees Abbassi Participated in Annual Congress of European Society of Movement Analysis for Adults and Children (ESMAC), 17 September 2020, Odense Denmark.

Conferences, Seminars and Workshops Organized

Department of Computer Sciences

Sr. No.	Name	Venue	Brief Description
1	Workshop on Cyber Security and FYP Selection	Women University of AJ&K, Bagh	Department of Computer Science & Information Technology in collaboration with team of E Pakistan organized a one day workshop on Cyber Security and FYP selection
2	Workshop on Awareness for Breast Cancer	Department of CS&IT, WUAJK	Department of Computer Science & Information Technology in collaboration Organized a one day workshop on Breast Cancer

Department of Physics

Dr. Muhammad Shahid, Assistant Professor Participated in 4th National Symposium on Laser Matter Interaction (LMI), September 21-22, 2020 at NCP, QAU Islamabad Pakistan.

Dr. Muhammad Shahid, Assistant Professor participated in 2020 Virtual GEM (Geospace Environment Modeling) Summer Workshop, July 20-23, 2020 at University of New Hampshire, Manchester, United States (USA).

Dr. Muhammad Shahid, Assistant Professor participated in 3rd National Symposium on Laser Matter Interaction (LMI), September 16-17, 2019 at NCP, QAU Islamabad Pakistan.

Dr. Muhammad Shahid, Assistant Professor participated in 16th National Symposium on Frontiers in Physics, January 29-31, 2019 at GC University Lahore

Department of Zoology

Dr. M. Shabaz(AP) Participated in 39th Pakistan Congress of Zoology (International) held on 4-6th March 2019, at Islamia College Peshawar, Pakistan

Dr Abu-UI-Hassan Faiz, Himalayan Pitviper (*Agkistrodonhimalayanus*): Conservation, Ecology, Snake Bite, and Human Awareness in Lesser Himalayas, Azad Kashmir, Pakistan. 3rd International Conference on Innovative Biological and Public Health Research (IBPHR-2019) department of zoology GC university of Lahore One Day International Symposium on Zoonotic Diseases of Camel organized by Cholistan university of veterinary and animal sciences

Department of English

Raayna Batool, participated in Workshop of International linguistics Corpus, International conference of Language and literature at IIUI.

Department of History and Pakistan Studies

Dr. Unsa Jamshed, Seminar on "Hindu Majority Regime in India and Marginalization of Muslim in IOK"
Organized by National Defence University, Islamabad

Dr. Unsa Jamshed, 3rd National Harmony Workshop, (18-22 March, 2019), arranged by National Defence University (NDU) Islamabad

Dr. Unsa Jamshed, Conference on "Pakistaniat An Intrinsic Part of Kashmir Freedom Movement"
Organized by PICSS at President Secretariat Muzafabad, on June 21, 2019

Dr. Unsa Jamshed, Conference on "Youth Skills Enhancement" Organized by BTM Global at Women University AJK, Bagh on August 25, 2020

Dr. Unsa Jamshed, Seminar on "Kashmir Accession Day and our Responsibilities", organised by BTM Global and National Press Club in collaboration with Jammu and Kashmir Self-Determination Movement (JKSDMI) on July 17, 2020

Department of Education

Dr. Muhammad Mushtaq participated as nominated member from women university of AJ&K Bagh as representative in the workshop organized by HEC Pakistan that was first workshop F.A, GB and AJK universities on revamping of BS curriculum in April, 2019 at international Islamic university Islamabad.

Dr. Muhammad Mushtaq attended chaired a session and participated in The International Conference on Innovations in Teaching and Learning on 17 -18 October, 2018 (ICITL-2018)

Dr. Muhammad Mushtaq presented a paper in the seminar held in memory of Mujahid-e-Awal Sardar Abdul Qayyum Khan (Late) organised by IR Department, Women University of AJ&K Bagh.

Ms. Saima Kayani, Lecturere attended 2nd National conference on early childhood care and education.

Ms Saima Kayani, Lecturer and Ms Samina Rafique, Lecturer, attended conference reconstructing practices to address challenges and trends in ECCE.

Ms. Samina Rafique, Lecturer and Saima Bashir, Lecturer, attended International conference on innovation in teaching and learning 2018, at International Islamic University, Islamabad.

Aimen Hanif from Department of Education along with Director Student Affairs attend the Solidarity Day at President House Islamabad event to represent the WUAJ&K. The event was held on February 5th, 2019.

Thesis /Research Projects

Department of Biotechnology

Level: M.Phil

Sr. No.	Student Name	Title	Supervisor
1	Sumra Mehmood	Association Study of Psoriasis Susceptibility Gene Polymorphism in Local Psoriasis Patients	Dr. Sadia Mumtaz
2	Zahida Parveen	Study of In vitro Propagation and Effect of Different Potting Media on Acclimatization of Banana	Dr. Faheem Ullah Khan
3	Nuzat Khalid	Mutation Analysis of GRYBB Gene in Childhood Congenital Cataract Families	Dr. Sadia Mumtaz
4	Salma Rasheed	Optimization of Zinc Bacitracin Production from Mutant Bacillus subtilis by Submerged fermentation Technology	Dr. Sadia Mumtaz
5	Zobia Ferdous	Phytochemical Activity of Olea europaea and Olea ferroginea from District Bagh Azad Kashmir	Dr. Saddiqa Firdous
6	Maryam Basharat	Analysis of Genetic Variation in ERAP1 with Cutaneous Psoriasis	Dr. Tahira Batool
7	Ulfat Arshad	Genetic Analysis of ARTS1 SNP Associated with Psoriasis Vulgaris	Dr. Tahira Batool
8	Sadaf Nazir	Case Control Retrospective Study of NF-KB Pathway Gene in Pakistan Psoriasis Patients	Dr. Tahira Batool
9	Raheela Yousaf	Evaluation of Different Vaccination Programmes in District Poonch with Special Reference to Measles	Dr. Faheem Ullah Khan
10	Iqra Arooj	Phylogenetic Analysis of Selected Indegineous Medicinal Plants of Bagh, Azad Jammu & Kashmir	Dr. Sadia Mumtaz
11	Huma Javid	Development of Conducting Polymer thin Films for Biosensing and Electrochromic Applications	Dr. Faheem Ullah Khan
12	Wajiah Riaz	Fabrication of Conducting Polymer thin Film based Metal Oxide Nanocomposite for Biosensing and Electrochromic Applications	Dr. Faheem Ullah Khan
13	Nuzhat Nazir	Phytochemical Analysis of Medicinal Plants occurring in Bagh Azad Kashmir	Dr. Tahira Batool

Department of Botany

Level: M.Phil

Sr.No.	Name	Title	Supervisor
1	Rubab Khursheed	Taxonomic and phylogenetic study of some mushrooms from District Bagh.	Dr. Israr Ahmad
2	Amrat Shakoor	An Ethnomedicinal evaluation of Traditional Medicinal flora used by the rural communities of Lass Danna District Bagh AJK.	Dr. Shoaib Amjad
3	Robina Ilyas	Isolation and Characterization of Bacteria with Vicia sativa L and indigofera hetrantha wall collected from District Bagh Azad Jammu & Kashmir.	Dr. Samiullah Khan
4	Ujala Zahoor	Ethno botany of Medical Flora among the Local Residents of Harigal and its Neighboring Areas of District Bagh, Azad Jammu and Kashmir, Pakistan.	Dr. Shoaib Amjad
5	Asia Farooq	Indigenous Medicinal Knowledge of Local Plants used by the rural communities of Dhirkot Azad Jammu & Kashmir Pakistan.	Dr. Shoaib Amjad
6	Nadia Irum	Study of effects of green synthesized silver nanoparticles on growth and biochemical attributes of wheat.	Dr. Shoaib Amjad
7	Ayesha Razzaq	Examining phytodiversity and vegetation structure and different climatic zone of sudhan Galli Bagh Azad Kashmir Pakistan using Multivariate Approach	Dr. Shoaib Amjad
8	Sobia Saleem	Isolation and Characterization of Bacteria from Rhizosphere and Nodule of Trigonella Foenum gracum and Lathyrus aphaca, Collected from District Bagh Azad Jammu & Kashmir, Pakistan	Dr. Samiullah Khan
9	Amina Aslam	Association Study of Bacteria Isolated from Rhizosphere and nodule of Trofolium sp and Medicago sp from District Bagh Azad Jammu & Kashmir, Pakistan	Dr. Samiullah Khan
10	Sana Tariq	Morphophysiological and Molecular Characterization for Drought Stress in Bread Wheat.	Dr. Israr Ahmad
11	Khansa Batool	Characterization of Bread Wheat Genotypes for stripe Rust using Morphological and Molecular Tools.	Dr. Israr Ahmad
12	Uroosa Ilyas	Reassessment of Ajuga Species Collected from Mirpur Division Using Morphomolecular Techniques	Dr. Asia Bibi
13	Ashrit Gulfaraz	Evaluation of Wheat Genotypes for stripe Rust using Molecular Techniques.	Dr. Israr Ahmad
14	Uzma Ghffar	Isolation and Characterization of Bacteria from Rhizosphere and Nodule of Phaseolus luntus (Lima bean) from Tehsil Dheerkot District Bagh Azad Jammu & Kashmir, Pakistan	Dr. Samiullah Khan
15	Syeda Sehrish Sabir	Taxonomic Position and Medicinal Values of Some Pteridophytes Collected from District Bagh Azad Jammu & Kashmir, Pakistan	Dr. Israr Ahmad
16	Rabia Manzoor	Screening of Ajuga Species of Poonch Division by Using Morpho molecular Techniques.	Dr. Asia Bibi
17	Asma Latif	Amelioration in Morphophysiological Characterization of Drought induced Wheat through Kinetine Priming.	Dr. Asia Bibi
18	Kiran Imtiaz	Ethno-ecological studies of the plants collected from Paddar Syedan and Kanna Mohri Bagh Azad Kashmir Pakistan.	Dr. Asia Bibi
19	Sugra Akram	Antidiabetic Screening and Phytochemical Analysis of Selected Dietary and Medicinal Plants	Dr. Asia Bibi
20	Nargis Rafique	Morphogenetic Characterization of Ajuga Species collected from Muzaffarbad Division AJK Pakistan.	Dr. Asia Bibi

21	Uzma Haleem	Sning Techniques for Leaf Rust in Pennistum glaucum using Molecular Markers.cree	Dr.Samiullah Khan
22	Mehvish Nazim	Isolation and Characterization of PGPR isolated from Triticumaesivum and pennisetum glaucoma L Rhizosphere from District Bagh Azad Jammu & Kashmir,Pakistan.	Dr.Samiullah Khan
23	UZma Yaqoob	Differential Changes in Germination and Yeild Attributes of Wheat using indole Butyric Acid .	Dr.Asia Bibi
24	Summaya Shahid	Screening of Leaf Rust Through Molecular Markers and its Effect on Yeild in Bread Wheat.	Dr.Israr Ahmad
25	Tahira Jabeen	Ethnopharmacological relevance of Indigenous Plants from Hajira, District Poonch Azad Jammu & Kashmir, Pakistan	Dr.Shoaib Amjad
26	Wajida Aziz	Phytosociological Enumeration of Plant Resources of Devi Galli, Poonch, Azad Jammu & Kashmir, Pakistan	Dr.Shoaib Amjad
27	Zahra Younas	Morphogenetic Elaboration of Leaf Rust in Triticum aestivum.	Dr.Israr Ahmad

STUDENTS' ACHIEVEMENTS

Honors and Awards

Sr. No.	Name	Department	Details
1	Ms. Juwaria Shafique, Lecturer	CS&IT	Participated in Visio Spark 19, COMSATS University Wah Campus with students of the department of CS&IT. Over 2000 students from 40 different universities of Pakistan took part in different IT related activities. Students of Department of CS&IT performed extra ordinarily
2	Ms. Arooj Fatimah	CS&IT	10 students from all over the Pakistan were selected on merit basis to join the delegation hosted by Huawei to visit their headquarters in Beijing, China. Ms. Arooj Fatimah was on 4th on merit.
3	Ms. Natasha Fiaz	CS&IT	Final Year student Ms. Natasha Fiaz received Cash Prize from CIT by Rizwan Jaffar, Chairman Youth Parliament, for successfully completing her Highly Technical University Plus Project
4	Ms. Aneela Rasheed	CS&IT	Final Year students Anila Rasheed Received Cash Prize from CIT by Rizwan Jaffar, Chairman Youth Parliament, for successfully completing her Highly Technical University Plus Project
5	Nisa Naseem Abbassi	CS&IT	Ambassador of WUAJK in Visio Spark 2019
6		CS&IT	Students of Department of CS&IT made a project entitled "An Automated System for Detection of COVID – 19 & Human Localization" which was inaugurated by the President of Azad Jammu & Kashmir, Sardar Masood Khan himself.
7	Sehrish Akhter, B.Ed	Education	Secured first position in Urdu Speech Competition organized by Women University of Azad Jammu And Kashmir, Bagh in the wake of independence day on August 14 th , 2020.
8	Asma Saghir, MA Education	Education	Participated in a quiz competition regarding foundation day of Government of AJK held by government of Azad Jammu and Kashmir in Muzaffarabad. It also got on-air on AJK national television

Noticeable Alumni

Department of Education

Aimen hanif a former student of department has recently cleared PSC with distinction and joined Govt. College of Education Bagh

Anum Usman, Bushra Basher, Nasreen Saeed, Syeda Tehreem Fatima, Kinza Gardezi, Ambreen Manzoor, Abida Sadeeq, Syeda khushna batool and Sehr Batool are also former students of department education and are serving as government employees in their respective areas after qualifying NTS.

Department of Business Administration

Syeda Zoya Ayaz a former student of department has got administrative position in District Administration. Kanwal Manzoor, MBA graduate was selected in HBL.

QUALITY ASSURANCE

Quality Assurance is the Planned and systemic review process of an institution or programme to determine whether or not acceptable standard of education, Scholarship and infrastructure are being met , maintained and enhanced .It is an instrument designed to add value to education by encouraging high quality. An efficient and effective high quality higher education system which is internationally recognized and a well-established national Quality Culture are vital for economic growth in developing Countries like Pakistan. A sustainable equality assurance program enhancement provide opportunities to improve the education and training of future employees, harness future leaders, facilitate to enable learning environment, and enriches the academic and intellectual leadership. Thus it fuels the engine of economic and social development at the national, regional and international levels. For that purposes Quality Enhancement Cell (QECs) have been established in all DAIs to strengthen the internal Quality Assurance mechanism.

Membership of Association/Networks

QEC has membership of Association in following Bodies:

- Senate
- Syndicate
- BASAR
- Finance and Planning Committee
- Academic council
- Selection Board

NOC Obtained for Departments

NOC from Higher Education Commission have been obtained for following M.Phil programs:

- English
- Education
- Zoology
- Physics
- Economics
- Mathematics
- Chemistry
- Bio-Technology

NOC Obtained for P.HD programs

WUAJK has obtained NOC from Higher Education Commission for following PhD programs:

- Botany
- Physics
- Chemistry
- Zoology

Any other relevant information

- The university has to obtain accreditation from relevant council for Computer Science & Information Technology, Business Administration and Education Department.
- Prepare a computer lab equipped with internet for online evaluation.
- Get membership from international quality assurance bodies to enhance quality culture in DAI.
- Get Turnitin link from HEC for plagiarism.
- Awareness seminars for faculty and students.
- Develop a web link for all QEC proformas.
- Create an external assessment team for IPE review.
- Implementation of a class held report.
- Improve the university ranking by improving the internal quality mechanism.
- Prepare Self Assessment Report for all departments.
- Plan Assessment Team visit for activities of self-assessment report.

The QEC has evaluated SAR of 25 Programs of Different departments with the help of external experts coming from diverse Universities and has been prepared following activity in this regard.

- Evaluations of SAR(25 Programs)
- Corrective Action Plan
- Executive Summaries of Each Program

Group photo of Faculty of WUAJ&K with Chancellor on Convocation

COLLABORATION

This year, WUAJ&K has collaborated with University of Poonch, Rawalakot for joint research activities and sharing the facilities of labs for academic and research programs. Besides, other departmental collaborations are as under:

Departmental Linkages

06 members delegation of University of Lahore under the supervision of Dr. Rabia Akhter visited WUAJ&K. The purpose was to enhance the faculty collaboration between University of Lahore and WUAJ&K.

Department of CS&IT has collaborated with some of the leading software houses in Rawalpindi and Islamabad like Circular Bytes, CIT, E – Pakistan and MTBC on providing students a chance to enhance their skills and getting ready to be an integral part of the technological future of Pakistan.

Department of Business Administration and MTBC collaborated for the internship of MBA and BBA students.

Department of Business Administration visited State Bank of Pakistan regional office Muzaffarabad for the paid internship MBA students. The SBP will select our prominent students for internship.

Meeting of Delegation of WUAJ&K with MTBC authorities regarding WUAJ&K students' internships

STRENGTHENING AND UP GRADATION

Every progressive and competitive institution requires continuous up gradation of its physical and technological infrastructure. With rapid technological advancements, it is imperative for a modern institution to continuously align and upgrade itself. Women University of AJ&K considers the importance of physical and technological advancement in the world and the need to strengthen and upgrade its facilities for the provision of quality education.

Due to growing number of admissions each year, the university has acquired three buildings on rent at different locations in Bagh. We are focusing on providing pleasant class room atmosphere. The amount of Rs 30.590 million have been earmarked for procurement of furniture and fixture, urgently required furniture of RS 8.000 million have been procured for students and staff

For strengthening of the university P&DD prepared and submitted Concept Proposal to HEC for inclusion in Federal PSDP 2021-22. This concept paper has been forwarded by HEC to Planning Commission for consideration. PC-1 will be submitted after inclusion. Infrastructure of the university main campus will be constructed.

Establishment of Women University AJ&K Bagh

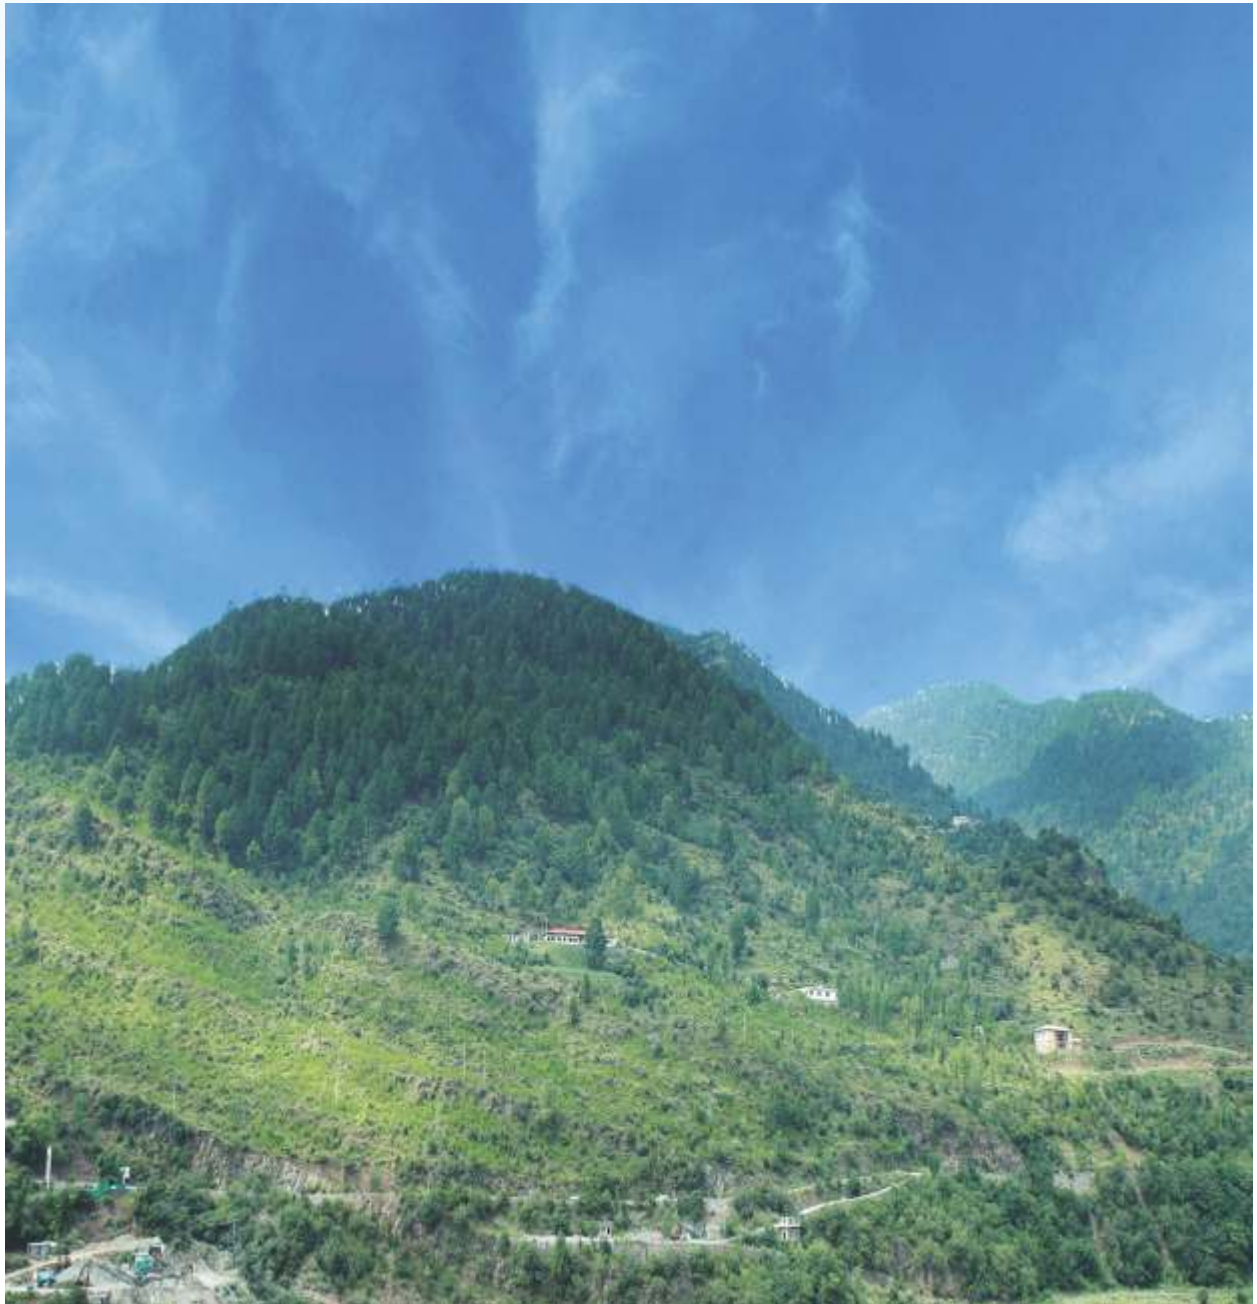

Due to the unavailability of land, the permanent buildings for university could not be constructed in early 5 years. Government of Azad Jammu & Kashmir provided limited infrastructure in Government buildings to start academic activities and accommodate administrative offices. Fourteen different departments were established to run 36 Degree Programs at Undergraduate and Graduate level. The infrastructure was quiet insufficient for this huge activity and it had to rely upon the rental buildings at higher cost to run the Institution which disturbed the financial position badly.

Acquisition of Land for Women University of AJ&K Bagh

A Project entitled "Acquisition of land for Women University of AJ&K Bagh" included in AJK ADP 2019-20. PC-1 with the cost of Rs. 378.979 M was submitted in the department of P&D, GoAJ&K, Muzaffarabad through HE Secretariat for approval. The project was discussed in AK DWP on April 30, 2019 and was deferred due to unavailability of funds.

Sr. No.	Description	Actual
1	Name of Project (PC-I)	Acquisition of Land for Women University of AJ&K Bagh
2	Estimated cost	Rs. 378.979 M
3	Time Period	15 Months
4	Location	Ghelan Chatter, Tehsil and District Bagh, AJ&K.
5	Sponsoring	Higher Education Department of AJ&K
6	Quantity of Land	568 Kanal, 4 Marla
7	Submission date	April, 25, 2019

A project entitled "Acquisition of Land for Women University of AJ&K Bagh " has again included in AJ&K ADP 2020-21 with approved revised estimated cost of Rs. 300.000 million. Allocation for FY 2020-21 is Rs. 75.000 million. A piece of land measuring 110 kanal at Sahlian Maldalian, Tehsil and District Bagh is in process for the purpose. Notification No. 4 has been issued by Deputy Commissioner Office for 61 kanal and remaining is in process. PC-1 will be submitted to P&DD, GoAJ&K shortly. Worthy Prime Minister of AJ&K has announced measuring 2025 kanal 11 marla government land at Bani Pasari, Bagh for WUAJ&K. Notification will be issued by Revenue department shortly.

Proposed 2025 Kanal Land at Banni Passari, Bagh for WUAJ&K

Information Technology Center (ITC)

Dr. Gohar Rehman Chughtai, Incharge ITC

IT has turned into an important and fundamental part of education, research, and innovation. As the University of WUAJ&K is experiencing through procedure of progress, understanding the significance of Information Technology, Information Technology Center (ITC) has been established to facilitate in all kind of help related with Information and Communication Technology to every one of the divisions and representatives of the university.

Functions/Activities

 - Payroll Software System Deployment, Training and Support
- Verification of IT Equipment
- Official email address creation and configuration
- Video Conferencing Management
- Support in different online services to the faculty and students including Microsoft Teams /Zoom, Ehsaas Scholarship etc.
- IT Support Services for Employees & Students

Staff

Sr. No.	Name	Designation
1.	Dr. Gohar Rehman Chughtai	Assistant Professor
2.	Rashad Bashir	Programmer
3.	Aftab Ahmed	Programmer

Future Plans

- PERN Installation
- Software Solutions
 - Stock & Store Management
 - Exam Portal Extension as Learning Management System
 - Online Job Portal
 - Online Challan Generation
- University Management Information System (UMIS/CMS)
- Network Establishment
- Server Installation & Management
- Software Training Programs
- Bio-Metric Attendance System Management & Reporting
- IT Support Services for Employees & Students

Online Examinations System

For smooth functioning and quick response comprehensive data base software is being introduced by University Programmer Mr. Rashad Bashir in the examinations through which everything related to the examinations will be online.

Procurement of Research Lab Equipment

Labs play a vital role in skills learning of the students by conduction of the various experiments. Labs help to determine the result achieved through a scientific process. Realizing this, the University has spent a huge amount in upgrading and strengthening up new Labs for sciences graduates.

Research Lab, Natural Sciences

Video Conference Room

Video conference room was setup to cater the need of interactive and online sessions. It is a full furnished room with all basic facilities. It has a sitting capacity of over 50.

Computer Labs

Rs. 140.107 Million lab equipment has been procured from the development project of "Establishment of WUAJ&K" including computer laboratory.

Computer Lab

Seminar / Conference Hall

University has established a seminar hall comprised of 300 seats. This seminar hall was required for conduction of workshops and seminars. It is fully functional and various academic activities are carried out there smoothly.

Day Care Center

Day care facility is provided to the female employees of university at Sciences and Social Sciences Blocks. The working mothers (Faculty and staff) now work with increasing motivation without worrying about their children.

Transport

The university has also strengthened the transport section.

Achievements of Transport Office

There was no conveyance facility for the students and staff in the university. Efforts have been made by the worthy Vice Chancellor and arranged sufficient transport in this University. Seven Buses and Two high Roofs and one Hiace are providing to pick and drop facilities to students and Staff. Following Vehicles are available in the University.

01	Hini Buss	3
02	Isuze Buss	4
03	Suzuki Cultus	4
04	Hiace	1
05	High Roof	2
06	Ambulance	1
07	Suzuki Bolan	1
08	Rivo Double Cabin	1
09	GLI	1
10	One Suzuki Bolan donated by Health Department and still it is off road.	

WUAJ&K Transport Facilities for Staff and Students

Security System at Women University

The security section of Women University of Azad Jammu & Kashmir, Bagh has provided fool proof security arrangements for students and staff. Initially an amount of Rs. 5.0 million was released by HEC for the betterment of Security. The security guards are placed at all the blocks and they perform stand by

duties and patrolling round the clock under the monitoring of chief security officer. Security Cameras have also been installed at different locations of Women University of Azad Jammu and Kashmir, Bagh. The weapons and Ammunitions purchased from Wah Factory. Barbed /Razer wire has been installed at different locations. CGI Sheets have been used for protection of hostels and class rooms. Scanning of visitors is done through walk through gates. The security guards have also been provided WalkiTalki sets.

Staff Security Department

The Honorable Chancellor, WUAJ&K and President state of AJ&K, Sardar Masood Khan has carried out thorough visit of the security arrangements of the university and appreciated the efforts made by the university. The Chief Security Officer, Major (Retd.) Muhammad Bashir has prepared security plan after with consultation with Deputy Commissioner and Superintendent of Police. Our office of security is in liaison with Brigade staff and security agencies to strengthen the security of university.

The security section of Women University has made following arrangements for the enhancement of security at WUAJ&K:

Student Financial Aid Office

In order to provide financial assistance to needy, deserving and meritorious students, a full-fledged, Student Financial Aid Office (SFAO) is established at Woman University Bagh in collaboration with HEC. The office is primarily responsible for providing all information, services, and assembling financial resources that are available to and/or needed by students who are attending Women University Bagh.

Financial aid resources are those that are provided by both internally and externally from HEC and other organizations.

Goals

- To establish essential manual and automated processes to support awarding financial aid to qualified students in a timely manner and as per donor's terms and conditions.
- To publish required information concerning application requirements, eligibility criteria, award procedures, important deadlines, and other pertinent information.
- To maintain a flexible, open-door operation for students who need adjustment in financial assistance or assistance in seeking, obtaining, and retaining appropriate levels of financial aid.
- To provide individual student assistance in completing necessary applications formalities.
- To maintain active working relationships and communication with all university offices involved in the provision of financial assistance to students and with external agencies, organizations, and individuals.
- To promote transparency in financial assistance programs.
- To develop linkages with the community; industry, alumni, donor agencies and charitable organizations for raising funds for the Students.

UNIVERSITY BUILDING COMMUNITIES

Women University is dedicated to promote community service, civic engagement, and service-learning amongst the youth to make them socially responsible citizens in the society. The management of WUAJ&K Bagh believes that service-learning has a positive effect on the personal development of students and it helps them acquire academic skills and knowledge by utilizing their resources and professional skills.

In today's knowledge economy, the role that universities play is taking on a fundamental transformation. Many public research universities are now recognized as economic engines that drive their state's innovation. At Women University, we not only embrace this evolution but also seek to accelerate it as a catalyst to any economy. The university has now planned to establish Career Services Centre that will offer career services that include employment opportunities, professional grooming and counseling to its students and alumni. The Office of University Career Services Centre will also strengthen academic linkages with industry in order to provide the market with our talented and skilled graduates as a valuable workforce.

Pink Ribbon Day

Breast cancer is the most common cancer in women around the world. Unfortunately, Pakistan has the highest incidences of breast cancer in Asia. Breast cancer continues to be the highest malignancy reported and currently being treated over the years.

Women University AJ&K has observed Pink Ribbon Day during the month of October by decorating Vice Chancellor secretariat with Pink balloons, displaying panaflex about Breast Cancer Awareness, distributing newsletters and fliers charity information about Breast Cancer and self-examination process, among students and faculty members. The departments have also organized the awareness raising and fund raising programs at their own level where the staff and students of Women University AJ&K Bagh have donated money for Breast Cancer Hospital. Directorate of Student Affairs won encouragement award out of 150 Universities of Pakistan to organize this day in a wonderful manner.

Breast Cancer Fund Raising Program

Plantation Week

Being a resident of the paradise on earth (Kashmir) it is our obligation to organize, improve and harmonize the gift of greenery and florescence with which we are blessed by nature. The students of department of business administration vigorously observed plantation week with the collaboration of forest department to create an aesthetic and healthy environment in the university campus.

WUAJ&K Students Participations in National Harmony Workshop

Kashmir Independence Day

The university celebrated Kashmir Independence Day on 24th October, 2020. A Speech Competition was held in which students from various departments participated.

UNIVERSITY BUILDING LEADERSHIP

In the increasingly competitive and financially- constrained Higher Education sector, Universities and Colleges are placing a growing emphasis on nurturing future leaders. Companies face an urgent need to develop leaders at all levels—from bringing younger leaders online faster to developing leaders globally to keeping senior leaders relevant and engaged longer. Companies face new leadership challenges, including developing Millennial and multiple generations of leaders, meeting the demand for leaders with global fluency and flexibility, building the ability to innovate and inspire others to perform, and acquiring new levels of understanding of rapidly changing technologies and new disciplines and fields. Women University of Azad Jammu & Kashmir Bagh is well aware of the leadership roles our students will adopt and to meet this challenge we have approached education from the perspective of skill building and leadership development.

Career Services Centre

The establishment of a Career Services Centre in WUAJ&K is under process. The office will be responsible to assist students in finding right opportunities of work during and after the completion of their studies. Purpose of establishing Career Service Center is twofold. Primarily it will establish a strong linkage between academia and industry in order to access job opportunities for students to meet employment challenges in today's world of work. Secondly, Career Services Centre will build a connection with local industry in Bagh and other cities of AJK and Pakistan in order to equip students with knowledge of working and establishing business at a local level.

Summer Internship Program in MTBC

The department of Computer Sciences and Department of Business Administration have collaborated with an international organization namely Medical Transcription Billing Corporation (MTBC) working at Bagh regarding the Summer Internship program of students. MTBC has started providing training to the students of MBA, BBA and BSCS&IT in core business areas such as Human Resource Management, Operations and Finance. The organization has also agreed upon the provision of future employment opportunities to the potential graduates.

State Bank Summer Internship Program

WUAJ&K Bagh is highly committed towards providing quality Education to its students. We are also focusing towards professional development of graduates in order to prepare them for successful careers in future. In its efforts to make graduates more employable, the Department of Business Administration of WUAJ&K Bagh has collaborated with different organizations to ensure placement of the students. Every year, our students from various departments are selected for paid summer internship program organized nationwide by State Bank of Pakistan Muzafarabbad. SBP selects students from various Universities on the basis of academic performance and their competitiveness.

Internships of Students of Information Technology

More than 40 students of MCS and BS have completed their training/ Internship in different software houses like Eycon Soluons, E Pakistan, PISA (Pakistan Cyber Security Alliance) of Islamabad, Pakistan.

Enhancement in Quality of Education

Education serves as the back bone for development of the nation. Women University has played a vital role in improving the quality of education of the region. We are proud that our graduates are currently rendering tireless services to education sector of the state. They will equip students with latest teaching learning techniques. More than 50 students are currently working as instructors in different government, private and semi Government Institutes.

Seminar on Quality in Education

A seminar was hosted by Qaisra Shahraz on quality in education. She is a British-Pakistani novelist, scriptwriter, college inspector, teacher trainer, education consultant and freelance journalist. She is a Fellow of the Arts and is a former director of Gatehouse Books that published books written by students for Skills of Life. The session was very informative for students. The students openly added their suggestions and reservations related to education system. The session ended on a positive note.

Vice Chacellor, WUAJ&K addressing in a Seminar at WUAJ&K

Seminar on Social Economic Challenges Faced by Women

4	Sponsoring	Higher Education Commission, Govt. of Pakistan

Women University of AJ&K, Bagh is first ever university for females in the state and growing on fast track basis and could be realized with an enrollment of over 2,000 students. Presently Fourteen (14) disciplines are functional in the university. There are 1236 students in BS 04 years, 497 in MA/ MSc, 344 students in MS/ M.Phil and 09 students in PhD, thus a total of 2086 students enrolled at present. We are planning to introduce/ offer another 3/5 disciplines by year 2023 to cater the emerging need of female youth of AJ&K in case of having infrastructure facility available for opening of these disciplines of different faculties.

Considering the last year admissions and flux of students, we can see a projection of students in 2025 as under:

Projected students strength by year 2025

Sr. No.	Year	BS 04 Year	MA/MSc	MS/ MPhil	PhD	Total
01	2019	1236	497	344	09	2086
02	2020	2080		413	11	2504
03	2021	2496		496	13	3005
04	2022	2995		458	21	3474
05	2023	4194		695	35	4924
06	2024	4674		814	48	5536
07	2025	5213		957	60	6230

PROMOTIONAL ACTIVITIES

The promotional activities at WUAJ&K help us advertising our news-worthy events, items, achievements and other educational and research activities effectively. For the purpose, the Office of the Public Relations is set up under the supervision of Mr. Imran Bashir, Public Relations Officer. The office interacts and develop liaison with various stakeholders. The office also releases its bulletin after each event occurs in university speaks on behalf of university and represents university in various community ceremonies.
